ALL!**

ANYONE CAN WIN THE "300 HANDICAP POT SHOOT" RULES:

1. **First Game (15 arrows) you will get your lowest scoring arrow. That score establishes your handicap.**
2. **No such thing as a "zero" on the three spot.**
 - a. **A missed target will count as a 0.**
3. **Next two games (30 arrows) you will be using your handicap towards center as your 10 counting backwards from there. If your handicap is an eight, the 8-9-10-"x" rings score as a 10. 7 ring would be (9) 6 ring (8) and so on.**
4. **After the two games (30 arrows) whom ever is tied for the highest score makes the shoot off.**
5. **The "Shoot Off" will be as follows:**
 - A. **2 ends of scoring using your handicap as a 10 ring. Same rules as above.**
 - B. **After 2 ends-starting with the 3rd end, you lose 1 scoring ring. If you had an (8) handicap, now you have a "9 and in" as your "10" counting lower scoring arrow backwards as above.**
 - C. **Only lose a scoring ring when shoot a "30".**
 - D. **Continues until high score wins.**
